

MARINE & RV

PHWD - White Washdown

Washdown and general purpose water supply applications with excellent flexibility and kink resistance. U.V. resistant. 145 PSI. Sizes 3/4" to 1 1/2" ID.

PHAB - Air Breathing

Designed for use in industrial air breathing and commercial deep sea diving applications. U.V. stabilised. Conforms to AS2299 & AS1716. 348 PSI. Size 5/16" & 3/8" ID.

SHPO - Blue Petrol & Oil

A highly flexible suction & discharge hose, manufactured with a blend of Nitrile and PVC, designed for transfer of hydrocarbons. 70 PSI. Size 1" to 4" ID.

SHSAN - White Marine Sanitary

White flexible suction and discharge hose, manufactured with Nitrade to minimise the permeation of odours through the hose. 47 to 130 PSI. Size 3/4", 1" and 1 1/2" ID.

D401 - MAXFLO Petrol & Oil Delivery

A general purpose hose for all petrol and oil delivery applications. Suitable for use in industrial, marine industry. 10 bar. Sizes 3/4" to 6" ID.

D420 - MAXFLO Automotive Fuel Line

Designed for the delivery of petroleum based product with aromatic content up to 50% for automotive fuel line. 5 bar. Sizes 5mm to 12mm ID.

PHTPR - Clear Braided Multipurpose

Clear multipurpose hose for the transfer of air, water, food and petroleum products. Conforms to AS 2070. 230 PSI. Sizes 1/4" to 2" ID.

PHOF - Outboard Fuel

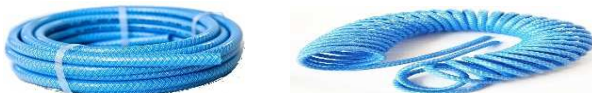

Outboard PVC marine fuel hose for portable or above deck mounted fuel tanks. U.V., E10, unleaded & diesel resistant. 70 PSI. Size 5/16" & 3/8" ID.

SHARMA - Clear Helisteel

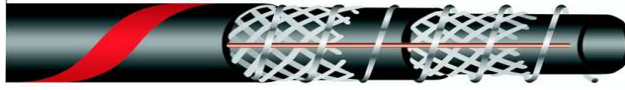

A flexible and U.V. resistant hose for the suction and delivery of liquids where product visibility is required. 17 - 99 PSI. Size 1/4" to 6" ID.

PHDW - Drinking Water

For conveying drinking water, will not taint the water. Ideal for caravans, boats, etc. U.V. resistant. Conforms to AS 2040. 145 PSI. Size 1/2" ID.

D404 - MAXFLO Petrol & Oil Suction/Delivery

Designed for use in petroleum suction and discharge applications. Also suitable as a heavy duty wet marine exhaust hose. 10 bar. Sizes 3/4" to 8" ID.

D902 - MAXFLO Extruded Red Multipurpose

A premium quality hose offering a one-hose solution to most hose requirements. Suitable for air, water and oil. 20 bar. Sizes 1/4" to 2" ID.

PHYS - Safety Yellow S Air/Water

General purpose air and water supply with excellent flexibility. Oil mist and U.V. resistant. Conforms to AS 2554. 145 - 230 PSI. Sizes 3/4" to 2" ID.

TCVT - Clear Vinyl Tubing

Non-toxic clear tube suitable for the low pressure transfer of food and beverages. Conforms to AS2070. 40 PSI. Size 1/8" to 2" ID.

SHHIFLEX - Corrugated Light Suction

Flexible PVC suction hose designed as a discharge hose for bilge and pond pumps. Also used as a dust extraction and light duty airseeder. 58 - 101 PSI. Size 3/4" to 2" ID.

PHGHT - Green Tint Garden Hose

Australian made U.V. protected, reinforced with an excellent kink resistance even in cold weather. 145 PSI. Sizes 1/2" to 1" ID.

D414 - MAXFLO Wet Exhaust [Lloyd's App]

Designed as a lightweight flexible wet marine exhaust hose for conveying wet exhaust fumes. Lloyds approved. 5 bar. Sizes 1" to 12" ID.

TIBL/TMBL - Nylon Tubing

Designed from polyamide material for the conveyance of gases, liquids and air. Has an excellent abrasion and impact resistance. Imperial & Metric sizes.
